A pretrial conference in this action was held on September 27, 2016. The plaintiff, Rameen Gasery ("Gasery" or "Plaintiff"), *pro se*, seeks damages for misattribution by the Defendants of a photograph published by the Defendants pursuant to a contract between the parties.

Pending is Defendants' motion to strike the Second Amended Complaint ("SAC") and reply to affirmative defenses as improperly served. Given Plaintiff's *pro se* status, the motion is denied and the SAC and reply to affirmative defenses will be docketed and filed. It is anticipated that the Defendants will move to dismiss the SAC.

The Plaintiff has been advised of the difficulty of prosecuting his claim without counsel, and it is hoped that counsel can be assigned.

It is so ordered.
